TRA Promotes Ahmed Aldoseri to Director of ICT

Manama, Kingdom of Bahrain – Saturday 17 April 2010

The Telecommunications Regulatory Authority (TRA) announced today the promotion of Mr. Ahmed Aldoseri to Director of Information and Communications Technologies (ICT).

Dr. Mohammed Al Amer TRA's Chairman and Acting General Director said: "Technological changes, convergence of services and the move towards the ICT environment, require TRA to start to focus attention on the wider issues of ICT in addition to those of the telecommunication sector itself. TRA needs to ensure consumers obtain the most advanced services from a growing competitive market of ICT Providers, to this end we are pleased to announce the promotion of Mr. Ahmed Aldoseri to ICT Director in our team".

Commenting on his promotion, Mr. Aldoseri said: "I am grateful for the trust that has been placed in me to support the development of ICT services for consumers in Bahrain. I would like to thank my colleagues at TRA for their support, and I look forward to the challenges ahead".

Mr. Aldoseri has Master's degree in Strategic Business Information Technology in University of Portsmouth, and has 12 years of experience in the ICT field. He joined TRA in 2007 as a Specialist Technical Advisor and then promoted to ICT Operations Manager before this promotion.

About TRA

Since its establishment in 2002 the Telecommunications Regulatory Authority of the Kingdom of Bahrain (TRA) has been working with government, consumers, operators and investors to develop the Kingdom of Bahrain into the region's most modern communications hub and to facilitate the growth of the market. As an exemplary Regulator for the region, TRA independently carries out its duties in a transparent and non-discriminatory manner. More information about TRA can be viewed at www.tra.org.bh
