A Draft Statement Corrigendum

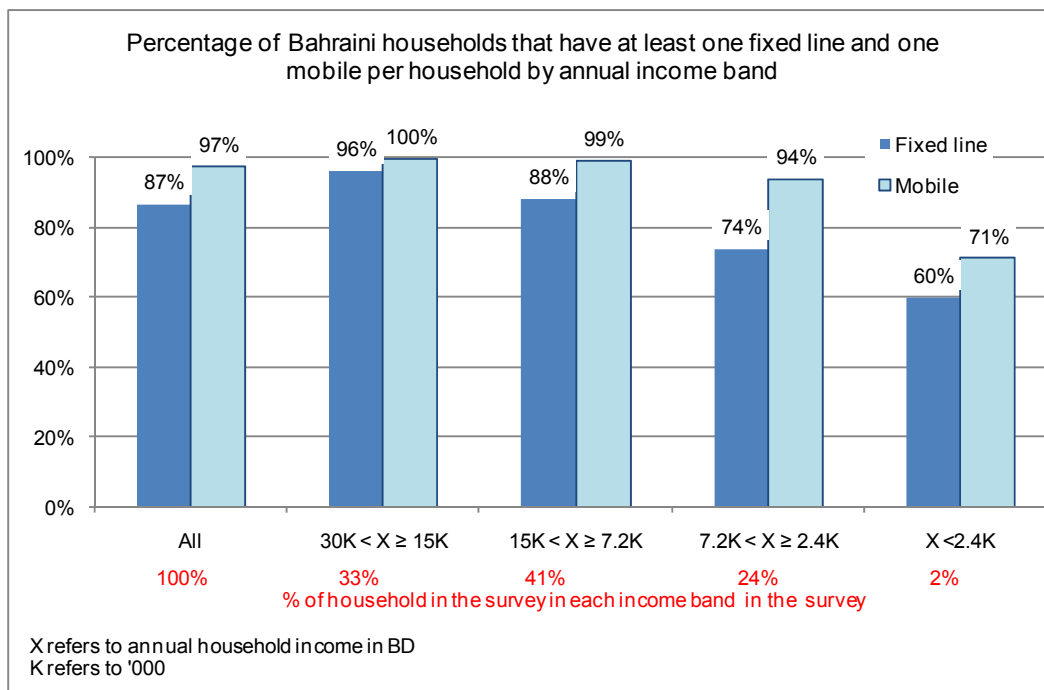

Issued by the Telecommunications Regulatory Authority
on Rebalancing for Fixed Services and Price Monitoring

9 June 2009

Purpose: To correct non-material errors on the English version of the TRA's draft statement paper on rebalancing of fixed line services and price monitoring dated 31 May 2009.

1. The Figure 3 of the Draft Statement on Rebalancing for Fixed Services and Price Monitoring issued 31 May 2009 is incorrect and should be replaced by the following Figure.

Figure 1: Survey estimates of Bahraini households access to basic voice services by annual income level¹

2. This change is corrected into version 1.1 of the Draft Statement on Rebalancing for Fixed Services and Price Monitoring.
