## **TRA Hosts Training on Regulatory Issues**

Monday, 5 November 2007

The Telecommunications Regulatory Authority General Director Mr. Alan Horne Said: "Training will continue to be an important aspect of TRA's policy for developing our staff and educating the sector concerning regulatory measures and approaches to ensure a healthy competitive market in telecommunications services. We all benefit, not only from the input of the experts, but also from the valuable exchange of views by the attendees from TRA and the industry"

Mr. Horne was commenting on the Telecommunications Regulatory Master Class that was held from 20<sup>th</sup> to 22<sup>nd</sup> October 2007, which was attended by a number of TRA staff and representative from 2connect, Batelco, Mena telecom, Viacloud and Zain. The training course was conducted by Mr. Peter Walker and Mr. Richard Womersley from Inter Connect Communications, UK.

The training program focused on the role of the regulator, licensing issues, Interconnection, Next Generation Networks, Spectrum Management, Numbering Management and Tariff Regulation.

### **About TRA Bahrain**

The Telecommunications Regulatory Authority (TRA) was established by Legislative Decree No. 48 of 2002 promulgating the Telecommunications Law. TRA is an independent body and its duties and powers include, among other areas, protecting the interests of subscribers and users and promoting effective and fair competition among existing and new licensed operators. More information regarding TRA Bahrain can be viewed at [www.tra.org.bh](http://www.tra.org.bh)
