TRA Statement on Blackberry Services Offered in Bahrain

Manama, Kingdom of Bahrain - Thursday 5 August 2010

The Telecommunications Regulatory Authority (TRA) has released today a press statement on the Blackberry services offered by mobile operators in Bahrain, in which TRA's ICT Director Mr. Ahmed Al Doseri said "TRA has issued no directions to Licensees requiring the blocking of Blackberry or other services offered by Research In Motion (RIM)."

About TRA

Since its establishment in 2002 the Telecommunications Regulatory Authority of the Kingdom of Bahrain (TRA) has been working with government, consumers, operators and investors to develop the Kingdom of Bahrain into the region's most modern communications hub and to facilitate the growth of the market. As an exemplary Regulator for the region, TRA independently carries out its duties in a transparent and non-discriminatory manner. More information about TRA can be viewed at www.tra.org.bh
