Please note that the destinations, which are not included in this list will be dealt on a case-by-case basis (i.e., they are not automatically excluded, but will be checked with Gulf Air, which rate would apply to them on demand). This will also apply to the destination without the direct Gulf Air flight. However, there is no guarantee that the fare for a non-Gulf Air leg will be discounted. In case of indirect flights where Gulf Air does not have partners, separate tickets (e.g., for Gulf Air leg and for non-Gulf Air leg) will have to be booked for the discount to apply.
