An Invitation to Tender for a

National Fixed Wireless Services (NFWS) License

1 Invitation

This document, together with its Annexes, is an Invitation to Tender (ITT) for the grant of two (2) National Fixed Wireless Services (NFWS) licenses to be used for the provision of Fixed Wireless Access (FWA) in the Kingdom of Bahrain.

1.1 THE AWARDING BODY

The Telecommunications Law of the Kingdom of Bahrain (issued through Legislative Decree No. 48 in October 2002) (the “Telecommunications Law”) is the principal law that regulates telecommunications markets. The Telecommunications Law established the Telecommunications Regulatory Authority (TRA) as an independent regulatory authority overseeing the telecommunications sector.¹ The TRA is the awarding body that will grant the NFWS Licenses and Frequency Licenses.

1.2 THE LICENSES

1.2.1 The TRA intends to grant two (2) National Fixed Wireless Services (NFWS) licenses in the 3.5 GHz band to be used for the provision of certain services via Fixed Wireless Access (FWA) in the Kingdom of Bahrain. These licenses are referred to as the NFWS Licenses. Each of the NFWS Licenses will be awarded for an initial period of fifteen (15) years.

1.2.2 Each NFWS License will confer on its respective licensee an associated Frequency License, granting rights to the use for the purposes of providing services through FWA, of frequency spectrum as described below:

Frequency License I: 3410 MHz – 3455 MHz paired with 3500 MHz – 3545 MHz

Frequency License II: 3455 MHz – 3500 MHz paired with 3545 MHz – 3590 MHz

¹ A copy of the Telecommunications Law can be obtained from the TRA’s website (www.tra.org.bh). Parties should note that the Arabic version of the Telecommunications Law is the official text. Bidders must therefore rely only on the official Arabic version of the Telecommunications Law.

An Invitation to Tender for a

National Fixed Wireless Services (NFWS) License

- 1.2.3 In this document references to the “NFWS License” or “License” refer to the license authorizing the provision of certain services through FWA and references to “Frequency License” refer to the associated frequency license.
- 1.2.4 The rights and obligations of the Licensee are set out in the NFWS License and the associated Frequency License. The form of each of these licenses is included in this ITT at Annexes 2 and 3 respectively.
- 1.2.5 Taking into account the working language of the panel of experts, the primary language for communications between the Bidders and the TRA on all matters pertaining to the Auction and the award of the Licenses shall be English.
- 1.2.6 Parties who wish to bid for an NFWS License on the basis set out above shall present a Bid in accordance with this Invitation to Tender (ITT) and each of the Annexes thereto. Successful Bidders will be selected according to the rules set out below.

1.3 LICENSE AWARD METHOD

- 1.3.1 Award of the Licenses for the provision of FWA services will, as approved by the Board of Directors of the TRA during their meeting of July 6, 2006, be by way of an auction. The auction will be a pay-as-bid, sealed bid auction.

1.4 PROVISIONAL TIMETABLE

- 1.4.1 A provisional timetable is presented in Table 1. Times in the table refer to local time in the Kingdom of Bahrain. The TRA reserves the right to amend the list of items and/or the timing of any or all elements of the Auction by public notice prior to change.

- (b) promotes the interests of subscribers and users of the relevant telecommunications services in respect of the matters referred to in Section 3(b)(1) of the Telecommunications Law.

2.11.8 Interested parties are not permitted to solicit or receive advice on matters related to the Auction from:

An Invitation to Tender for a

National Fixed Wireless Services (NFWS) License

- (a) any person who has been retained as an adviser to the TRA (or a sub-contractor to such adviser) in relation to the Auction. Advisers to the TRA in this regard are:
- Haya Rashed Al Khalifa Attorneys at Law and Legal Consultants;
 - Frontier Economics Limited;
 - Bird & Bird Solicitors;
 - Slaughter and May;
 - Charles Russell LLP;
 - C³ Economic Consulting Limited; and
 - A.A.C.S Ltd.
- (b) any person who has been an employee of the TRA or any of the above advisers in the 12 months prior to the publication date of the Invitation to Tender.

For the avoidance of doubt this prohibition shall not apply to the receipt of responses to Bidders' questions to the TRA about the Auction and/or the NFWS and Frequency Licenses, regardless of whether such responses are given by the TRA directly or by the TRA's advisers.

2.12 EVALUATION OF THE QUALIFICATION DOCUMENTATION

2.12.1 During the Auction the TRA will address any requests for clarification to the Principal Authorized Person identified by the Bidder in Bid Form B. Bidders must respond to any requests for clarification within the time frame specified by the TRA. If the Bidder fails to respond within the time frame specified by the TRA, the TRA has the discretion to disqualify the Bidder from the Auction. All clarifications provided by Bidders in response to requests from the TRA must be signed by one of the Bidder's Authorized Persons and must include its registration password.

2.12.2 The TRA will appoint a panel of experts (the Panel) to advise on the evaluation of Qualification Documentation in the circumstances specified below and shall publish the names of the experts appointed to the Panel on the Website.

An Invitation to Tender for a

National Fixed Wireless Services (NFWS) License

- 2.12.3 Where a Bidder is deemed by the TRA to have failed to comply with the Qualification Criteria, the Panel will review the grounds for such failure. The Panel will come to a view as to whether such assessment was appropriate. If the Panel considers that the Bid meets the Qualification Criteria, the Panel will advise the TRA that the said Bidder should be added to the list of Qualified Bidders. The ultimate determination of whether a Bidder meets the Qualification Criteria will be made by the General Director. The General Director shall consider in all cases the advice of the experts. If the General Director for any reason does not accept the advice of the experts he will make this known to the experts and the party concerned.
- 2.12.4 Following receipt of Qualification Documentation, the TRA shall publish a list of Bidders, including, where relevant, the Associates of the Bidders.
- 2.12.5 As soon as reasonably possible following the publication by the TRA of the list of Bidders and, in any event, no later than two (2) Working Days following publication, each Bidder must submit a declaration stating whether it has a Material Interest in any Opposing Party.
- 2.12.6 Subsequent to the deadline for receiving Bidders' declarations, as required by Clause 2.12.5, the TRA shall, no less than two (2) calendar days prior to the Financial Bid Opening Day, notify individually the remaining Qualified Bidders that their Financial Bids are to be considered and publish a list of Qualified Bidders.
- 2.12.7 No less than two (2) calendar days prior to the Financial Bid Opening Day, the TRA shall also notify any Bidder whose Bid has been rejected or disqualified. The TRA will return the Financial Bids of Bidders that are not Qualified Bidders unopened subsequent to the Financial Bid Opening Day to the Postal Address of the Principal Authorized Person of the unsuccessful Bidders, as specified by the Bidder in Form B.

2.13 ABANDONMENT OF THE AUCTION

- 2.13.1 The TRA may declare the Auction void if, at any time prior to the Effective Date, it becomes clear that no more than one License could be awarded under the rules set out in this ITT. In these circumstances, no License shall be awarded. Bank guarantees shall be returned to the Bidders who have

An Invitation to Tender for a

National Fixed Wireless Services (NFWS) License

not already had theirs returned and who have not breached the Auction Rules. If the Auction is declared void prior to the publication of the list of Qualified Bidders, Registration Fees will be returned to all Bidders not in breach of the Auction Rules. If the Auction is declared void after the publication of the list of Qualified Bidders, Registration Fees will only be returned to Qualified Bidders not in breach of the Auction Rules.

2.14 EVALUATION OF FINANCIAL BIDS

2.14.1 Only the Financial Bids of Qualified Bidders will be considered. The Financial Bids shall be opened at the Financial Bid opening on the Financial Bid Opening Day.

2.14.2 Without prejudice to the TRA's right to amend the timing of any or all elements of the Auction by public notice prior to change, the Financial Bid Opening Day shall be December 13, 2006.

2.14.3 Each Bidder, including non-Qualified Bidders, may be represented by up to two (2) persons at the Financial Bid opening.

2.14.4 At any point after the notification of the Financial Bid Opening Day but no less than two (2) Working Days prior to the Financial Bid Opening Day, by notice on the Website, the TRA shall invite any member of the press and, at its discretion, any other person it may consider appropriate to attend the Financial Bid opening, to notify the TRA of their wish to attend. Attendance will be subject to space limitations. The TRA will confirm attendance to notifying parties.

2.14.5 After opening the Financial Bids the TRA shall assess the validity of each bid in accordance with the requirements for Financial Bids set out in Clauses 2.10.1 to 2.10.4.

2.14.6 After assessing the validity of each bid, the TRA shall announce the list of Bidders who have submitted Valid Financial Bids, together with their Bid Prices, in rank order of Bid Price, highest first. In the event that in no case do two or more Valid Financial Bids have the same Bid Price, this rank order shall be declared the Unique Rank Order. In the event that there are Tied Bids, Clauses 2.14.7 to 2.14.9 shall apply.

An Invitation to Tender for a

National Fixed Wireless Services (NFWS) License

- 2.14.7 In the event that two or more Bidders with a Valid Financial Bid have the same Bid Price, and hence have equal rank, such Tied Bidders will each be invited to submit a Revised Bid Price by completing and submitting Form H, not to be less than their Bid Price, by such deadline as the TRA shall stipulate. (Bidders should prepare for the eventuality that the deadline for submission of Revised Bid Prices is a later time on the Financial Bid Opening Day.) If any Bidder does not submit a Revised Bid Price by the stipulated time, the TRA shall deem its Revised Bid Price to be equal to its Bid Price. The relative ranking of such Tied Bidders shall then be based on their respective Revised Bid Prices but no such Tied Bidder shall be ranked above a Qualified Bidder with a Valid Financial Bid including a higher Bid Price than the Tied Bidder. This process shall be applied to all sets of Tied Bidders.
- 2.14.8 In the event that two or more Tied Bidders with the same Bid Price also submit the same Revised Bid Price, the TRA shall rank such Bidders by a random method to be specified by the TRA, provided that the rankings given do not change the relative position of the rank of any such Bidder in relation to a Bidder that does not have both the same Bid Price and Revised Bid Price as that Bidder.
- 2.14.9 After resolution of any Bid Price and/or Revised Bid Price ties, the TRA shall deem the resultant rank order to be the Unique Rank Order and shall publish this order.
- 2.14.10 The single Qualified Bidder with the highest rank in the Unique Rank Order shall be declared the First Successful Bidder.
- 2.14.11 The single Qualified Bidder with the second highest rank in the Unique Rank Order shall be declared the Second Successful Bidder.
- 2.14.12 Each Successful Bidder shall be granted a NFWS License.
- 2.14.13 The First Successful Bidder shall be granted the Frequency License that that Bidder has nominated as its Preferred Frequency License.
- 2.14.14 The Second Successful Bidder shall be granted the Frequency License not awarded to the First Successful Bidder.

2.15 POST EVALUATION OBLIGATIONS

2.15.1 In the event that a Successful Bidder has submitted a Revised Bid Price, such Successful Bidder shall pay to the TRA in accordance with the Payment Instructions the difference between its Revised Bid Price and its Bid Price within five (5) Working Days.

2.15.2 For each successful Bidder the TRA shall call the bank guarantees included as part of the Successful Bidder's Financial Bid as follows:

- (a) 1st and 2nd bank guarantees at any time on or after 21 days from the Financial Bid Opening Day; and
- (b) 3rd bank guarantee on or after the first anniversary of the Effective Date.

2.15.3 Each Successful Bidder shall cause the formation, if necessary, of its associated Prospective Licensee substantially in accordance with the representations made within its Bid within 24 calendar days of award or any longer period as may be agreed by the TRA in its absolute discretion.

2.15.4 If in the opinion of the TRA:

- (a) The First Successful Bidder cannot complete all necessary actions within the time specified in Clause 2.15.3 or refuses to accept the NFWS License or Frequency License, the First Successful Bidder shall be disqualified and the Second Successful Bidder shall be declared the First Successful Bidder. The highest ranked Bidder in the Unique Rank Order not yet declared a Successful Bidder shall be declared the new Second Successful Bidder; and/or
- (b) The Second Successful Bidder cannot complete all necessary actions within the time specified in Clause 2.15.3 or refuses to accept the NFWS License or Frequency License, the Second Successful Bidder shall be disqualified and the highest ranked Bidder in the Unique Rank Order not yet declared a Successful Bidder shall be declared the new Second Successful Bidder.

2.15.5 If, pursuant to Clause 2.15.4, the TRA has declared a new Successful Bidder, Clauses 2.15.1 to 2.15.4 shall be reapplied to the then extant First and Second Successful

Bidders, except that the 24 calendar day period allowed for formation of the Prospective Licensee shall subject to Clause 2.15.6 run from the date of such redeclaration.

2.15.6 If in the opinion of the TRA it is not possible for two Licensees to be appointed by February 22, 2007, the TRA shall declare the Auction void.

2.15.7 Both Licenses will be granted on the same date to be notified by the TRA, which is the Effective Date of the Licenses.

2.15.8 Within five (5) Working Days following the Effective Date, or the Auction being declared void, the TRA shall return the respective Guarantees of Bidders not declared at any point a Successful Bidder or in the case of a void Auction any Successful Bidder who has met its post Award obligations.

2.15.9 For the avoidance of doubt, a Successful Bidder's obligation to pay the TRA in accordance with Clause 2.15.1 and the TRA's right to call the bank guarantees of a Successful Bidder in accordance with Clause 2.15.2 shall prevail even if the Successful Bidder fails to meet the obligations set out in Clauses 2.15.1 and 2.15.3.

2.15.10 The TRA shall declare the Auction closed at the Effective Date.
