Q3	Do you agree with the Authority's view that that Batelco has SMP in the retail market for premium access to call services including domestic calls from a fixed location? If not, please explain why.	
Comment	<p>Yes, We agree the same.</p> <p>Although we would like to highlight that the Access costs for CPS services needs to be revised since it has not been changed for a while. This will help operators to provide better rates for the enterprise customers.</p>

Q4	Under what circumstances do you think such market (i.e. retail market for premium access to call service including domestic calls from a fixed location) could be deregulated?
Comment	For now, Batelco has SMP in this market for premium access. Deregulation will end up in Batelco having the whole market share which will affect other operators offering CPS services.
