

## **PUBLIC NOTICE No. 2**

**concerning**

**Award of Individual Mobile Telecommunications Licences and associated  
Frequency Licences for the delivery of mobile telecommunications services in  
the 900, 1800, 2100 and 2600 MHz bands in the Kingdom of Bahrain –  
Invitation to Tender**

---

The Telecommunication Regulatory Authority (the "Authority") hereby provides notice to members of the public, including those interested in participating in the referenced tender process, of a change in the Auction Timetable as set out in the Invitation to Tender ("ITT") that was issued by the Authority on 28 January 2013 and subsequently revised 7 March 2013.

The Authority has, in accordance with Section 5.1 of the ITT, decided to further amend the Auction Timetable set out in Table 2 of the ITT. Pursuant to this decision the Authority hereby postpones further stages in the licence award process. A revised Auction Timetable will be published in due course.
