Provided that where a Commercial Entity requires more than the maximum number of pre-paid SIM Cards stipulated above, the Affected Licensee may, by providing adequate justification, duly request the Authority in writing and the Authority may, as soon as reasonably possible and at its sole discretion, accept or reject the request to vary the maximum number of pre-paid SIM Cards allowed for that specific Commercial Entity.

6 VERIFICATION OF SUBSCRIBERS THAT ARE COMMERCIAL OR GOVERNMENT ENTITIES

6.1 In relation to every Subscriber that is a Commercial Entity or a Government Entity, the identity of the Authorised Signatory (in the case of a Commercial Entity) or the identity of the Public Officer (in the case of a Government Entity) must, as a minimum, be confirmed at the point of sale through:

6.1.1 visual confirmation of the Authorised Signatory or Public Officer against all photographic identification on each of the Natural Person Identification Credentials that contains such information specified in this Regulation;

6.1.2 Verify that the electronic solution has successfully completed a Verification Scan;

6.1.3 Verification that the signature of the Authorised Signatory or Public Officer is identical to the signature on the Natural Person Identification Credentials of the Authorised Signatory or Public Officer, and that the signature is consistent throughout all documents signed by the Subscriber for the purposes of the Registration; and
6.1.4 visual confirmation to ensure the correctness of the Commercial Entity Identification Credentials or the Government Entity Identification Credentials in relation to their authenticity and accuracy.

6.2 If the Affected Licensee cannot Verify the Commercial Entity Identification Credentials or the Government Entity Identification Credentials submitted by the Subscriber for Registration in accordance with the steps described in Article 6.1, then the Verification is deemed to have failed.

7 ELECTRONIC SOLUTION

7.1 Within seven (7) months from the date of coming into force of this Regulation, all Affected Licensees shall have in place an Electronic Device that is capable of conducting a Verification Scan which must be approved by the Authority prior to its implementation.

7.2 Following consultation with interested parties, the Authority may determine a unified electronic solution for Affected Licensees to conduct the Verification Scans.

8 ACTIVATION

8.1 An Affected Licensee shall ensure that, in relation to every SIM-Card Enabled Telecommunications Service offered after seven (7) months of the date of coming into force of this Regulation, that Activation shall not occur until after Registration and Verification have been carried out in accordance with the provisions of this Regulation.

8.2 Where the Authorised Signatory or Public Officer Registers for multiple SIM-Card Enabled Telecommunications Services simultaneously, Activation completed in respect of one SIM-Card Enabled Telecommunication Service shall be deemed as having rendered all the other SIM-Card Enabled Telecommunications Services simultaneously Activated.

8.3 Where a Subscriber has initiated the Number Portability Process in accordance with the Resolution No. (2) of 2010 Promulgating Regulation on Number Portability, the Recipient Operator shall not Activate the SIM-Card Enabled Telecommunications Service until such time as the Registration and Verification have been successfully completed.

8.4 Where a SIM-Card Enabled Telecommunications Service is transferred from one Subscriber to another, the Affected Licensee shall ensure that the new Subscriber has completed Registration, Verification and Activation.

9 REGISTRATION RENEWAL

9.1 Affected Licensees shall, within twenty seven (27) months from the date of entry into force of this Regulation, ensure that all Subscribers to a Prepaid Telecommunications Service who, on
the date of entry into force of this Regulation are existing Subscribers, shall be Registered and Verified and the Subscriber Information duly recorded in the Subscriber Database as though the existing Subscriber was a new Subscriber in order to successfully complete the Registration Renewal Process. Provided that nothing in the foregoing shall be construed as obliging a Subscriber to sign a new contract with the Affected Licensee.

9.2 Affected Licensees shall, within eighteen (18) months from date of entry into force of this Regulation, ensure that all Subscribers to a SIM-Card Enabled Telecommunications Service other than a Prepaid Telecommunications Service who, on the date of entry into force of this Regulation are existing Subscribers, shall be Registered and Verified and the Subscriber Information duly recorded in the Subscriber Database as though the existing Subscriber was a new Subscriber in order to successfully complete the Registration Renewal Process.

9.3 Where an Affected Licensee fails to successfully complete the Registration Renewal Process in respect of any Subscriber within the time limits referred to in Article 9.1 (for a Prepaid Telecommunications Service) and Article 9.2 (for a SIM-Card Enabled Telecommunications Service other than a Prepaid Telecommunications Service), the Affected Licensee shall Suspend the SIM-Card Enabled Telecommunications Service until such time as the Registration Renewal Process has been completed or the Deactivation of the Service has occurred due to the deadlines referred to in Articles 9.4 or 9.5. The Affected Licensee shall record the Suspension on its Subscriber Database.

9.4 If within thirty (30) months from date of entry into force of this Regulation, the Affected Licensee fails to successfully complete the Registration Renewal Process for Subscribers to a Prepaid Telecommunications Service in accordance with Article 9.1, the Affected Licensee shall promptly Deactivate the relevant prepaid SIM-Card Enabled Telecommunications Service and record the Deactivation on its Subscriber Database.

9.5 If within twenty-one (21) months from date of entry into force of this Regulation, the Affected Licensee fails to successfully complete the Registration Renewal Process for Subscribers to a post-paid SIM-Card Enabled Telecommunications Service in accordance with Article 9.2, the Affected Licensee shall promptly Deactivate the relevant post-paid SIM-Card Enabled Telecommunications Service and record the Deactivation on its Subscriber Database.

9.6 Each Affected Licensee must confirm that the Identification Credentials presented for the purposes of the Registration Renewal Process correspond to those required to be recorded in the Subscriber Database.

10 REVALIDATION OF SUBSCRIBER INFORMATION

10.1 Affected Licensees shall, on an annual basis, duly request each Subscriber of a Prepaid Telecommunications Service to provide within two (2) months the unique identification number of the Identification Credentials used for the purpose of Registration. Provided that
Revalidation in respect of a Subscriber shall only be carried out following the lapse of twelve (12) months from the date of successful Registration or Registration Renewal of each Subscriber of a Prepaid Telecommunications Service.

10.2 Each Affected Licensee must confirm that the unique identification number provided by the Subscriber, Authorised Signatory or Public Officer corresponds to the number recorded for them in the Subscriber Database.

10.3 Where an Authorised Signatory or Public Officer is responsible for multiple SIM-Card enabled Telecommunications Services simultaneously, Revalidation completed in respect of one SIM-Card enabled Telecommunication Service shall be deemed as having rendered all the other SIM-Card enabled Telecommunications Services simultaneously Revalidated.

10.4 Subject to Article 10.5, where the Subscriber, Authorised Signatory or Public Officer (a) fails to respond or (b) fails to provide a unique identification number which corresponds to that recorded for them in the Subscriber Database, within two months of the Affected Licensee’s initial notice as per Article 10.1, the Affected Licensee shall Suspend the Prepaid Telecommunications Service until such time as the correct details are provided. The Affected Licensee shall record the Suspension on its Subscriber Database.

10.5 If, within three months of the Affected Licensee’s initial notice, the unique identification number of the Identification Credentials used for the purpose of Registration has not been submitted by the Subscriber and Verified by the Affected Licensee, the Affected Licensee shall promptly Deactivate the Prepaid Telecommunication Service and record the Deactivation on its Subscriber Database.

11 THE SUBSCRIBER DATABASE

11.1 All Affected Licensees shall ensure that the Verified Subscriber Information recorded pursuant to Articles 3, 4, 5, 6 and 9 is retained within the Subscriber Database throughout the period during which the SIM-Card Enabled Telecommunications Service is provided to the Subscriber and for one year after termination of the service.

11.2 Each Affected Licensee must maintain its Subscriber Database and regularly update it whenever there is a change to the Subscriber Information, or whenever there is a change to the status of the Subscriber, including but not limited to Activation, Suspension, Deactivation, transfer of the SIM-Card Enabled Telecommunications Service to a third party Subscriber, replacement of the Authorised Signatory or the Public Officer. In particular, Affected Licensees shall update the Identification Credentials for all Subscribers upon request at any time following the completion of Registration or of the Registration Renewal Process.

11.3 For the purposes of auditing the Affected Licensees’ compliance with the provisions of this Regulation, the Authority may request, from any Affected Licensee, its full data dump consisting in the Subscriber Database of that Affected Licensee and which must be provided
within twenty-four (24) hours from receipt of such request, in such format and by such means as may be prescribed by the Authority from time to time.

11.4 Without prejudice to the generality of the foregoing, Affected Licensees shall, upon request, within twenty-four (24) hours from receipt of such request, submit the following data to the Authority:

11.4.1 Full list of all Subscribers;

11.4.2 Details as to whether the natural person, Authorised Signatory or Public Officer recorded in the Subscriber Database is a GCC National or non-GCC National;

11.4.3 Classification as to whether each Subscriber is a natural person, Commercial Entity or Government Entity;

11.4.4 Classification of all Subscribers indicating which Subscribers are active, inactive, dormant or ceased;

11.4.5 In respect of each SIM Card, the date of sale, date of Activation and the date of the most recent top-up; and

11.4.6 Any other information that may be required from time to time by the Authority.

12 RESTRICTIONS ON THE SALE OF SIM-CARD ENABLED TELECOMMUNICATIONS SERVICES

12.1 Absent the Authority’s specific approval in writing, no SIM Card shall, after the lapse of seven (7) months following the date of entry into force of this Regulation be sold or offered for sale except through the Point of Sale.

12.2 Notwithstanding the provisions of the foregoing Article 12.1, Affected Licensees shall ensure that at the end of seven (7) months following the date of entry into force of this Regulation, all SIM-Cards that are in the possession of any Reseller of the Affected Licensees that has not been approved in accordance with this Regulation shall be rendered inoperable such that those SIM-Cards would be rendered Dummy SIM-Cards provided however that the Dummy SIM-Cards may subsequently be rendered operable where the Registration and Verification Processes are carried out in accordance with the provisions of this Regulation.

12.3 Affected Licensees shall, on the seventh (7th) month from the date of entry into force of this Regulation, report to the Authority:

(a) the number of SIM Cards that are in possession of each of their respective Resellers; and

(b) all the SIM Cards that have been rendered Dummy SIM Cards pursuant to Article 12.2.
12.4 The Authority may approve a Reseller to sell SIM-Cards to natural persons provided that the prospective Approved Reseller must be approved by the Authority following receipt of an Approved Reseller Application made to the Authority in accordance with the Approved Reseller Guidelines to be issued by the Authority and amended from time to time. Unless specifically approved in writing by the Authority no Approved Reseller shall be allowed to enter into an exclusivity agreement or equivalent arrangement with an Affected Licensee which restricts the sale of SIM Cards of other Affected Licensees.

12.5 The Authority has the power to revoke its approval of an Approved Reseller without prior notice and with immediate effect should the Authority find that the Approved Reseller has breached any of the obligations under this Regulation, the Approved Reseller Guidelines or any other applicable law or regulation to be issued by the Authority as may be amended from time to time.

12.6 Should the Authority exercise its power to revoke a previous approval of an Approved Reseller, the relevant Affected Licensee must recover or destroy all the remaining SIM Cards in that Reseller’s possession. The Affected Licensee must, within seven (7) days, provide the Authority with a list of all SIM Cards that have been recovered or destroyed, together with the information as set out in Article 12.3 above as well as any additional information that the Authority may request.

13 TRANSFER OF MOBILE SUBSCRIPTION CONTRACTS

13.1 The Affected Licensee shall consent to and allow the transfer of a SIM-Card Enabled Telecommunications Service contract (including the MSISDN) from one Subscriber to another, on the condition that:

13.1.1 The request to transfer is made by the transferring Subscriber and consented to by the transferee Subscriber;

13.1.2 The request to transfer is made during the valid term of a SIM-Card Enabled Telecommunications Service contract; and

13.1.3 The transferee Subscriber has successfully completed Registration, Verification and Activation.

13.2 Affected Licensees shall comply with all applicable legal instruments including, but not limited to, Resolution No. (2) of 2010 Promulgating the Regulation on Number Portability.

14 CONFIDENTIALITY OF SUBSCRIBER INFORMATION

14.1 Affected Licensees shall take all necessary measures to ensure the privacy and confidentiality of the Subscriber Information obtained in the process of implementing this Regulation. Disclosure of Subscriber Information shall only be permitted in accordance with the Laws of
the Kingdom of Bahrain, including to any security organ in accordance with Article 78 of the Telecommunications Law.

15 **ENFORCEMENT, SUSPENSION AND DEACTIVATION**

15.1 Without prejudice to the Authority’s powers to ensure compliance with this Regulation pursuant to the powers conferred on it by the Telecommunications Law, Affected Licensees shall comply immediately with any written emergency order issued by the Authority to take remedial action to ensure compliance with the provisions of this Regulation, including but not limited to an order to Suspend or Deactivate any Subscriber(s) for any reason whatsoever provided that the Authority shall use such powers in a non-discretionary manner and such emergency order shall be based on the written request of a law enforcement agency of the Kingdom. Without prejudice to the foregoing, in the event that any audit conducted pursuant to Article 11.3 above reveals that the Subscriber Information is inaccurate or incomplete, the Authority may issue an emergency order requesting the Affected Licensee to Suspend the affected Subscriber’s SIM-Card Enabled Telecommunications Service immediately.

15.2 Affected Licensees shall Deactivate the SIM-Card Enabled Telecommunications Service of a Subscriber if the Affected Licensee has reasonable grounds to suspect that the Identification Credentials submitted by the Subscriber are false.

15.3 Affected Licensees shall ensure that any SIM Card that is reported as lost or stolen shall be promptly Suspended. If, upon the expiry of 30 days the Subscriber has not confirmed that the SIM Card has been recovered, then the Affected Licensee shall Deactivate the SIM-Card Enabled Telecommunications Service attributable to that SIM Card.

15.4 Upon the Deactivation of a SIM-Card Enabled Telecommunications Service the Affected Licensee is entitled to reuse the number associated with that Subscriber’s Deactivated SIM-Card Enabled Telecommunications Service without further notice.

15.5 Without prejudice to the foregoing, if it is determined by the Authority that Registration, Verification or Activation has not been carried out in accordance with this Regulation or is otherwise incorrect, or that the Subscriber Database is incorrect or that any data provided by an Affected Licensee pursuant to the provisions of this Regulation is incorrect or has been manipulated, the Authority may deem the Affected Licensee to be in material breach of this Regulation and issue an Article 35 Order including the imposition of an appropriate fine.

15.6 Without prejudice to the Authority’s powers provided for in the Telecommunications Law, the Authority may take the following measures in respect of any Affected Licensee that infringes any provision of this Regulation:

(a) the imposition of an appropriate fine in accordance with the provisions of Article 35 of the Telecommunications Law; and

(b) order the cessation of any act or omission which constitutes such infringement.
