Charge premium for the end-to-end physical and logical protection of a WDC Connection.	Additional 30% premium on top of the applicable MRC for the Connection.	Per month

NON RECURRING CHARGES

Chargeable Activity	Charge (BD)	Charge Basis
Installation and configuration charge for "soft" change request	50.00	Per "soft" change. Applies when no new Network equipment is required (for example, increase or decrease in the bitrate of a Connection). Includes the CPE installation and configuration at both ends.

<p>Installation and configuration charge for "hard" change request</p>	<p>400.00</p>	<p>Per "hard" change. Apply when new Network equipment is required such as new cable access, new network port and/or new CPE (e.g. add a Connection or add an additional Aggregation Link). Include all the work required (e.g. the physical installation and configuration at both ends).</p>
<p>Installation and configuration for "hard" change request – Aggregation link</p>	<p>Time and materials</p>	<p>See note above. The necessity of all work chargeable on a time and materials basis shall be fully justified by the SE.</p>
