

ANNEX 2.3 PART A – INITIAL BID FORM

Registrant name: [INSERT REGISTRANT'S NAME]

Section 12.1 of the Invitation to Tender ("ITT") requires Registrants to submit an Initial Bid as part of the Envelope B, alongside of the Pre-qualification Documentation. The Initial Bid identifies the Lots upon which the Registrant wishes to bid at the Reserve Price or at a price equal to one of the pre-determined increments to the Reserve Price. This form constitutes the Registrant's Initial Bid. As such, intentions to Bid set out in this form will become Bids at the time that the Registrant is deemed by the Authority, at its sole discretion to be a Bidder in the Auction.
